

A Prayer

To you the next generation, I sent you a prayer as I reflect on the past, I pray that you would have had a stronger faith and trust in God. Not to depend so much on what your friends and family could do to help in difficult money situations, or even your self, but to depend on God.

I pray the Lord puts his hand over your mouth, so you wouldn't speak those cutting words that you are always sorry for later. To give you wisdom and knowledge and help you understand "what" to say and "when" to say it, "how" to say it and to "whom" to say it. Time has been good to me and it will also be good to you. So I pray that your faith and trust will remain strong.
